

Saint John's Senate *Goals*

2008/2009

General Goals:

- Come to an informed decision on the future of the Collegiate Readership Program
- Investigate installing a Frisbee golf course on campus
- Design and propose a set of improvements for the gravel patch between Mary Hall and Sexton Commons.
- Explore hosting a foam dance for both SJU and CSB students
- Solicit more student feedback and participation throughout Senate and its subsidiaries
- Build a better professional relationship with SALD & JEC

Subsidiary Goals:

Judicial Board

- Improve student perception of and relationship with Life Safety Services
- Investigate the plausibility of a Student Bill of Rights
- Ensure student input on campus parking decisions and enforcement
- Continue to pursue full faculty performance evaluations, tenured faculty included
- Provide adequate funding for gender programming and continue to engage the Men's Center
- Continue to facilitate student input on the planned renovations to the Refectory
- Investigate the higher food prices at Sexton Dining

Activities and Allocations Board

- Accomplish full club compliance with spending rules
- Increase funding transparency and accessibility
- Build a stronger, healthier relationship with the Co-Funding Board Advisor
- Investigate the future of athletic club sports and possible institutional funding

Student Services Board

- Improve the Senate website and ensure that it is updated in a timely manner
- Pursue a better working relationship with SALD on the Joint Club Board
- Work with the JEC to secure more student input regarding Pinestock
- Expand the popular perception of intercultural affairs beyond racial and international connotations.
