

Joel Stanek
For Saint John's Senate
Men's Issues Representative

My name is Joel Stanek and I am a sophomore music major from Little Falls, MN. I am interested in addressing issues that pertain to the Johnnie community, and this is why I want to represent the student body of St. John's University as the Men's Issues Representative. I have many goals for the senate, which include:

- Working with the St. John's Center for Men's Leadership and Service to increase interest in the work they do, and foster involvement in the programs they offer.
- Planning successful and entertaining Johnnie Day events for Homecoming Week
- Focusing on issues that Johnnies see as important
- Acting as a fair and reasonable member of the Student Parking Appeals Board.

I hope to bring a new perspective to the senate and to work for the student body by advocating a stronger Benedictine community for Johnnies through listening and hard work.
