

VALENTIN SIERRA

FOR SAINT JOHN'S SENATE Judicial Board

Fellow Johnnies,

My name is Valentin Sierra and I am a sophomore political science major from Colombia. It is my desire to represent the student body, and this is the reason why I am running for the SJS Judicial Board. If elected, I will do my best to protect your interests, communicate your concerns, and be an exemplary representative of your views. My goals include, but are not limited to:

- Further develop the means of communication with the Academic Dean and the heads of the Registrar's Office, the Curriculum Committee and the Joint Faculty Assembly (JFA) in order to strengthen the presence of the students' opinions in the academic decision-making process.
- Foster an instructive campaign aiming at making students more knowledgeable regarding the offices and personnel dealing with academic resources and academic-related issues in our campus.
- Ensure a strong leverage of student input in the renovation of Alcuin library.

I would like to build upon the progress of the current Senate and work to:

- Identify and correct flaws in the current faculty evaluation system to make it more useful to both students and professors.
- Guarantee that new decisions and measures concerning academic affairs make sense to students.
